GAS JOURNAL

Index to Vol. 329

January 4-March 29, 1967

The General Index for January to March is followed by an extended Classified Index under the following subject headings:

Area Boards	iii	Junior Gas Associations ..	iii
Authors	iii	Personal	iii
Book Reviews	iii	Obituary	iv
Correspondence	iii	Technical Developments ..	iv
Editorial Comment ..	iii	Trade Notes	iv
Gas Council	iii	Trade Publications	iv

Transmission and Distribution iv

Walter King Ltd.

Elm House, 10-16 Elm Street, London, W.C.1.

GENERAL INDEX

A

Aberdeen moves on oil base plan, 8
Abstracts from recent British patents, 108, 215, 238, 326
Alexander Controls, 8
Algeria—
  Bids against Russian offer to supply gas to Italy, 109
  Severs negotiations, 160
American booklet outlines North Sea mud programme, 236
Australia—
  Biggest year for offshore drilling, 223
  Drilling rig now ready, 222
  Early start on Gippsland pipeline, 63
  Gas market grows in south, 223
  Gidgealpa/Moomba pipeline finance, 63
  Natural gas find, 331
  Offshore gas deposit powers will be defined, 222
  Offshore oil/gas ' take ' defended, 223
Austrian consortium makes pipeline bid to Soviet, 267

B

Bacton inquiry—rejection of gas plant could endanger winter supplies for 1968-69, 240
Belfast Corporation's Gas Department reports profit, 329
Berry and Valor correction, 285
Bickley gas well has large output, 129
Bimcam luncheon has Sir Henry Jones as speaker, 267
Board's income figures given, 129
Borchardt, F. A., retires, 161
BP and Expo 67, 325
British joint venture at German oil/gas fair, 177
British Standards Institution—
  Conference to discuss 1967 plans, 160
  Issue new booklet on non-domestic heaters, 221
  Publish addition to standard on plating, 129
  Publish ' Methods for non-destructive testing of steel castings,' 175
  Revision of Standard on fireclay refractories, 107
  Standard for steel chimneys, 42

C

Canada—
  Agreement with Australia, 43
  Natural gas sales up, 10
  Signs vast gas deal, 221
  Urges increased gas exports, 219
  Wants more imported gas, 62
Cannon Industries employee retires after nearly half a century of service, 63
' Carrick ' has gas-fired central heating, 241
C.E.I. exam conference will be held in July, 328
Central heating field lead by gas, 329
Central heating sales up again, 176
CIA amendments, 111
Cochran & Co., Annan, Ltd.—new industrial training centre now fully operational, 288
Conch and Gazocean form two companies for liquid gas transport, 328
Correction, 159
Corrosion protection for ' Orion ', 9
Crane Ltd. appoint new managing director, 7

D

Domestic electricity conference, 257
Dublin Consumers' Gas Company show slight increase, 287

E

Effluent Convention—large attendance expected, 245
Electricity Board official states that gas will meet 7% of Britain's needs, 129
Esso—
  Plans £4 mill. pipe, 328
  Ready to let gas contract, 266
  Strikes gas in Libya, 266

F

Freezing gas for instant heat, 159
Fuel and power policy decisions by Easter, 243
Fuel industries—
  Investment programmes, 8
  Publicity expenditure announced, 241

G

Gas central heating sales rise in November, 110
Gas flow course at the Royal College of Advanced Technology, 267
' Gas Journal ' Directory amendments, 157
Gas on the Continent, 105, 237, 264

H

Harrogate Conference audience told of the role of natural gas in electricity, 245
Hawthorn Leslie win gas ship order, 110
Holland—
  Gas for Mannheim area, 223
  North Sea gas venture, 219
  Sales double, 43
Holland and Italy speed up talks, 243
Humphreys & Glasgow—
  Receive Japanese order, 245
  Work in Japan, 221
Husky Oil of Canada place £2½ mill. order for drilling rig, 7

I

Ideal Home Exhibition, 265
I.D.H.E. introduce educational courses, 326
InComTec to hold two-day courses to cover network analysis and plant investment, 322
Industrial output up in December, 240
Industrial Safety Exhibition will be held in May, 329
Innovation preferable to ' mere mechanisation '—Society of Instrument Technology told, 243
Institute of Welding to hold joint meeting in Germany, 240
Isle of Man company reports ' fluctuating fortune ', 287
International Gas Conference (10th), 347

J

Japex granted permission to search for oil and natural gas, 177

L

L.p.g./air mix plants assist in conversion to natural gas, 211

M

Manx companies taken over, 130
Meakin, J. and G. switch to butane gas, 285
Mechanical equipment for discharging elevated purifier boxes, 214
Mechanicals' youth lecture, 288
Midland Electricity Board accused of intimidation and sour grapes, 112
Motherwell Bridge & Engineering Co. Ltd.—
  Acquire holding in Byard & Co. (Engineers) Ltd., 9
  Make agreement with Conch International Methane Ltd., 178
MP queries atmospheric pollution, 221
MP queries standing charges, 130

N

National Conference of the Fire Protection Association to be held in February, 1968, 331
Neave, S. E. retires after fifteen years with Ideal-Standard, 177
New code for ducted warm air systems, 43
New instrumentation publications, 102
New Year Honours, 11
Nigerian refinery has L.p.g., 10
North Sea—
  Bacton query closes and Minister's decision awaited, 285
  Board economist speaks out, 128
  BP bring first gas ashore, 285
  BP delivery of North Sea gas, 354
  BP gas should flow next month, 224
  BP offers to double North Sea gas figure, 8
  BP sign contract for underwater TV service, 288
  Burmah Group combines for drilling, 288
  Christmas lecture mentions gas prospects, 7
  ' Constellation ' makes third gas strike, 10
  Drilling correction, 11
  Drilling costs statement, 130
  Export Credits Guarantee Department signs financial guarantee, 43
  Gas delivery question in Commons, 241
  Gas price warning from Chairman of Eastern Gas Consultative Council, 161
  Home Oil's Lockton step out wells are dry, 349
  Hydraulic pipework for North Sea barge, 62
  Meeting to be held in Oslo to agree regulations, 160
  Minister questioned about price, 109
  ' Mr. Louie ' returns to drill appraisal well, 41
  National Coal Board join forces with Continental Oil, 287
  National Coal Board role in gas search, 109
  New gas strike by Phillips Petroleum, 155
  Questions asked in Commons about price, 222
  Scottish difficulties, 266
  'Sea Gem' inquiry delay in Commons, 267
  ' Sea Gem ' inquiry, 176, 288
  Shell plan site at Bacton for natural gas processing plant, 219
  Sir Kenneth Hutchison addresses Pipeline Contractors' Association Convention, 121
  World-wide interest shown in British natural gas, 218
  Yields enough to double Britain's present consumption, 218
  Nuclear explosives and natural gas in Australia, 331

P

Parkinson Cowan—
  Interim report, 176
  Link-up with Neptune Meters, 329
  New concept of domestic meter design and manufacture, 124
Parsons, C. A., have order for town gas compressor, 43
Pipeline Industries Guild meets, 113
Pipelines aid industrial efficiency—Minister, 327
Pipe size obstacle faces ENI-Soviet project negotiations, 63
Power-Gas awarded Australian fertiliser plant contract, 331
Power in the 1970s conference arranged, 354

R

R. & A. Main announce changes in administration, 161
Rhodesia plans petrol from gas, 269

S

Sales Manager of Allied Ironfounders Gas Division died suddenly this month, 109
' Sea Quest ' drilling platform, 147
Shell introduce portable leak detector, 243
Sir Kenneth Hutchison will head IMEG, 7
Sir William Penney will fill academic post, 43
South Australian pipeline aid, 267
Soviet-Finnish pipeline?, 178
St. Albans, Relics found by pipeliners, 219
' Statistical sources for market research ', 217

T

Trains for liquid methane?, 266
Transmission and Distribution, 293
Trends in gas utilisation, 99
Tyneside yard wins £2.5 mill. gas ship order, 110

U

United Gas Industries Ltd. Group, 161
United States—
  Alternative route may save $160 mill., 329
  Imports of gas from Canada considerable, 288

V

Valve symposium planned for May, 241
Victoria set for new oil-gas laws, 267

W

Waller, George, & Son Ltd.—
  Gain substantial orders, 243
  Still giving reliable service after 40 years, 160
Welding of steel pipework, 42
Women's Gas Federation members hear North Sea gas date, 113

Y

Yarmouth quay problem solved by concrete rafts, 61

CLASSIFIED INDEX

AREA BOARDS

EASTERN
Conversion plans, 224
Record outputs, 61

NORTH EASTERN
Selby works to close down, 109
Will close some works, 245

NORTHERN
Chairman states that gas industry could double in 8 years, 269
Clark, L. J., to become Chairman from November, 7

NORTH THAMES
Compressor contract for Wallsend Slipway & Engineering Co. Ltd., order by Board on behalf of Gas Council, 112
Enters NALGO competition 1967, 43
Essex pipeline project, 160
Extension planned for Southall complex, 41
Foster Wheeler Ltd., awarded new plant contract, 157
Woodall-Duckham supply gas reactor for Romford plant, 157

NORTH WESTERN
Appointment of Conversions Manager, 42
Awards contract to Applied Research and Engineering Ltd., 111
German plant shipped across for Warrington Works, 287
Lancashire well abandoned for wider search, 129
Meter provers installed in distillate pipeline, 110

EAST MIDLANDS
Automated gasmaking plant commissioned at Aylestone Road Works, Leicester, 62
Buckley, J. A., appointed as Chairman, 7
HQ now completed, 354
Integrated radio communications system, 178

SCOTTISH GAS
I.C.T. computer ordered, 327
Plant completion beats schedule, 10

SOUTH EASTERN
Difficulty at Portslade, 111
Main comes adrift at Stoke, 65
Places £3 mill. plant order, 60
Richardsons Westgarth receive order in connection with East Greenwich Gas Reforming Plant, 269

SOUTHERN
Apprentices gain awards, 221
Humphreys & Glasgow have another Hythe contract, 223
Increase in year's sales of gas, 65
Order for oil gas plants from West's Ltd., 113
Residential course for shop stewards, 10
West's Piling & Construction Co. receive big orders from Southerngas, 221

SOUTH WESTERN
High pressure storage installation order received by Whessoe, 224
More plant ordered, 62
Power-Gas receive orders for waste heat recovery equipment, 329

WALES
Automation comes to Wales reforming plants, 348
North Sea gas should reach Wales by 1969, 130
Officials visit Radiation New World Ltd., 9

WEST MIDLANDS
Civic Trust commendation for headquarters, 155
Conversion contractors appointed, 327
Heaters for Birmingham, 60
Plastic covered tube ordered by West Midlands, 224
Works closures, 155

BOOK REVIEWS

British Standard Code of Practice, 36
Industrial air compressors, 263
Liquefied natural gas technology and economics, 263
Natural Gas ', (Institute of Petroleum), 127
Natural gas, a study, 263

INDEX

GAS JOURNAL

Index to Vol. 330

April 5-June 28, 1967

The General Index for April to June is followed by an extended Classified Index under the following subject headings:

Area Boards	iii	Junior Gas Associations ..	iv
Authors	iii	Obituary	iv
Book Reviews	iii	Technical Developments ..	iv
Personal	iii	Trade Notes	iv
Editorial Comment ..	iv	Transmission and Distribution	iv
Gas Council	iv		

Walter King Ltd.

Elm House, 10-16 Elm Street, London, W.C.1.

GENERAL INDEX

A

Abstracts from recent British patents, 53, 98, 117, 142, 212, 343, 356
Algeria—
  Bans gas export to U.K., 347
  Question in Parliament, 413
Anglin-Norcross awarded contracts for Gas Service Centre, 59
Ascot wins Blue Ribbon Award, 17
Ashmore, Benson, Pease & Co. Ltd. receives £300,000 order, 146
Australia—
  Bass Strait project to cost $A60 mill., 144
  Federal right of veto in state gas deals, 59
  Fertiliser plant to use natural gas from Roma, 215
  Gas plant gets go-ahead, 144
  Government attacked over natural gas, 17
  Pipeline planned to run 535 miles, 120
  Project for ABC., 316
  Strikes, 368
  Victoria's offshore gas plans speeded up, 146

B

Bacton inquiry will be re-opened, 38
Ballymena gas plant installation 'well up to schedule,' 17
Belfast Gas Department commission pipeline from Norwest Construction Co. Ltd., 214
Belfast prepares for new gas plant, 169
Benzole, A.G.M., 368
Birkshall Gasworks blaze, 39
Birthday Honours, 345
Borrowing Powers Order approved in Parliament, 411
British Association of Industrial Editors, 169
British Electrical Power Convention Report, 333
British Oxygen collaborates with Cameron Heating and Sir Robert McAlpine & Sons, 293
British Standards—
  Gas meters, 406
  ' Guide to the selection of electrical equipment for use in Division 2 areas,' 170
British Welding Research Association's grant increased, 101

C

Calor Gas introduces simulated natural gas for industrial use, 368
Calor Gas opens its Ulster gasworks, 368
Canada—
  Firms propose alternative, 412
  News round-up, 345
Cape Town Gas Company hit by rising costs, 216
Central Electricity Generating Board to experiment with natural gas, 169
Chancellor refuses greater tax for nationalised industry, 17
Chemical Engineering and Projects Division of Newton Chambers Engineering Ltd. reports progress, 170
Clean air premises now top three million mark, 145
Combustion Engineering Association, 214
Commons debate on Borrowing adjourned, 346

D

DoRDeC announces final details of the Fridge Fair '67, 215
Duke of Edinburgh's Prize for Elegant Design, 176

E

EFCO Group merger, 16
Esso plans new plant for Victoria, 215
European and American firms join to drill for gas and oil, 170

F

February rise in gas central heating sales, 147
French heater firms merge, 144
Fritz Gummert prize for '67 deadline, 413

G

Gas heavier than oil at certain depths theory, 216
Gas Light Co. take-over recommended, 103
Gas on the Continent, 37, 57, 213, 312, 334
Gas-power for supersonic airliners?, 346
Good month for gas central heating, 39

H

Harris Engineering announces 10% price cut, 17
Humphreys & Glasgow—
  Chairman honoured, 15
  Links with Sofregaz on conversion work, 147
Hungary has huge gas strike, 170

I

Institute of Fuel—
  Luncheon, 58
  To be addressed by Prince Philip, 149
International Boilers and Radiators Ltd. to exhibit at Paris exhibition, 101
International Gastronomic Festival at Torquay, 120

J

Jersey-
  Coke price increase, 169
  To have l.p.g. plant, 313

L

Labour Party's 'antipathy' to oil industry attacked, 345
Leeds University Fuel and Metallurgy Department is 60 years' old this year, 347
London gas boards in refrigerator compaign, 15
Londonderry Gaslight Company profits up, 17
Lords discuss the need for a fuel and energy policy, 58

M

Marlin offshore field can give 300 years' supply, 38
Minibition comes to Brighton, 103
Motherwell Bridge gas orders, 413

N

NALGO conference, 369
National Coal Board—
  Appoints advertising agents, 102
  Intention to reduce cost per therm to 3d., 59
Nationalised industries conference, 284
Natural gas burners on show, 167
Natural Gas Trade Mission, 144
Newtownards and Bangor ask for gas supply, 15
New Zealand signs price agreement on Kapuni Gas, 216
Northern Ireland factory closure affects Londonderry Gaslight Company, 170
North Sea—
  American techniques will allow deep-diving, 315
  Budget statement makes reference to finds, 59
  Exploration supplement, 314
  First plant to be built at Blaydon, 215
  Gas Council-Amoco Group makes strike, 39
  Gas Council-Amoco Group planning to drill off Aberdeen, 40
  Gas search problems disclosed at lecture, 15
  New consortium plans search, 147
  Norfolk to Rugby main completion due late 1967, 286
  Pipeline break was no cause for alarm, 411
  Planning permission for Bacton granted, 366
  Price settlement soon, 168
  State body may be suggested for gas, 316
  Surrey to be first to receive natural gas, 39
North Western Fuel Luncheon Club addressed by Mr. Reginald Freeson, 144

O

Odpex '68 to be held in Rotterdam, 145

P

Package deal campaign for central heating by three Boards, 38
PEMS is set up to serve industry, 370
Points from Parliament, 149
Power-Gas—
  Agreement with Fisons, 215
  Contract for Gibbons, 39
Power in the 1970s, 31

Q

Quality and Reliability Year marked by special exhibition at Design Centre, 216

R

Radiation Ltd. 48th annual report and accounts, 145
Record gas output, 103
Refrigerator deliveries, 39
Richard Thomas & Baldwins Ltd. in pipe sales deal with Hoesch, 293
Ruhrgas AG research reports, 51
Russian storage tank for Bolsover Refinery, 314

S

S.B.G.I. appoints Sir Kenneth Hutchison as President, 175
Science Museum brings gas up to date, 347
Scottish sea gas search moves, 284
Stewarts and Lloyds Ltd. receives £4 mill. orders from gas industry, 293
Stillite appoints new Irish distributor, 104
Stoves Ltd. develops radio pocket-paging system, 59

T

Tecknigas success at Utrecht, 101

U

Ulster switch-over, 215
Urquharts awarded contracts by the Wellman Engineering Corporation Ltd., 40
U.S.S.R.—
  Rapid expansion of natural gas continues, 100
  State plan for industry results, 144

W

Waller, G., & Son, gains new orders, 103
West's to make natural gas plant, 284
Wind oscillation on film, 104
Woodall-Duckham figures for 1966, 293

CLASSIFIED INDEX

AREA BOARDS

EASTERN

Plans to prevent Cambridge University suicides, 58

EAST MIDLANDS

Fradley switch-over to natural gas, 314
Instrument exhibition to be held in conjunction with Society of Instrument Technology, 412
Sheffield's conversion to natural gas, 344

NORTH EASTERN

Central stores opened, 215
Chairman gives anniversary lecture, 147
Hornsea gasholder problem solved, 169
Sir Henry Jones' address to Senior Officers' Conference at Harrogate, 315

NORTHERN

Catterick to have high pressure gasholder, 102
Plaque unveiled, 103

NORTH WESTERN

Birthday cake for N.U.J., 104
Canadian food demonstration, 40
Computer-based distribution control system, 412
Computer to be ordered from English Electric Computers Ltd., 59
' Link-up ' wins an award of Excellence, 412
Servotomic to carry out conversion contract for Board, 284

SOUTHERN

Abingdon gasholder—
Compensation, 344
Dispute, 147
Proposals discussed, 313
Talks end in deadlock, 368
Borstal boys have cookery courses, 316
Cooker year a success, 38
Encouraging report, 146
First Aid teams compete, 101

SOUTH EASTERN

Conversion plan explained at Sales Conference, 100
Review of tariffs, 170

SOUTH WESTERN

C.J.B. win pipeline contract, 103

WEST MIDLANDS

' Boost ' wins certificate of merit, 412
Record year, 214
Saves time on hire purchase control with computer/litho, 102
Solves conversion kit storing problem, 363

SCOTTISH GAS

Appliances survey planned, 286
Area Staff Conference, 118
Humphreys & Glasgow to build plant for gas board, 315
New stores planned, 17

Elm House, 10-16 Elm Street, London, W.C.1.

GENERAL INDEX

A

Abstracts from recent British patents, 56, 138, 221
American-made environmental testing equipment on show for the first time, 83
Ascots new multipoint appliances on show for first time, 224
Australia—
  Coal v gas controversy, 295
  Electricity is generated from natural gas in Western Australia, 16
  Natural gas pipeline will cross Lord Casey's land, 267
  Natural gas reservoir may benefit refrigeration, 267
  Queensland strike, 222
  Victoria—poised for leap ahead, 127
  Victoria prepares for natural gas, 63
  Western Australia off-shore drilling due, 248

B

Bairds and Scottish Steel Ltd. to sell blast furnace etc., 57
Ballymena—
  Has new reforming plant, 183
  Reforming plant, 250
Bass Strait—new drilling rig, 63
Belfast gas price increase unlikely, 57
Belgian gas appliances to be adjusted to use Dutch natural gas, 351
Big demand for gas central heating, 226
BOC announce leasing scheme for LPG installations, 17
British Welding AGM reports 'steady growth', 144
Burmah Oil—' Minor indications,' 145

C

Calor gas surcharge, 58
Canada—
  Now has ICI continuous reforming plant, 86
  1,000-mile pipeline approved, 161
Clean Air Exhibition gas display, 248
Coal gains support in move from two to four-fuel economy, 125
Continental Oil place order with W. J. Jenkins and Co. Ltd., 226
Cork Gas Consumers Company interim dividend, 181

D

Domestic Heating Exhibition, 17
' Driver appraisal plan ' for industry, 295

E

Electric cooker sales boosted by free gifts, 247
Esso Standard Oil Ltd. to build semi-refining plant ' Down-Under,' 15

F

Fischer & Porter Ltd., receive gas flow orders worth £20,000, 64
Friesland to Paris pipeline will cross Belgium, 352

G

Gas fridge sales are up, 315
Gas on the Continent, 312, 218, 289
Geelong survey, 63
Gibbons Brothers Ltd. awarded £1¼ mill. coke ovens order from Consett Iron Company 294
Government urges suspension of pit closures 264
Groningen reserves figure is up 50%, 17
' Gulftide ' launched by John Brown & Co., 161, 143

H

Honduran Government grants oil concession, 63
Humphreys, Atkins and Gulf Interstate, 161

I

InComTec to present seminar on digital computers and process control, 265
Institution of Mechanical Engineers and Institution of Heating and Ventilating Engineers—possible merger, 182
Integrated honours degree course, 17
Iran—
  Gas factory plan, 15
  Natural gasline will feed Tehran and USSR, 250
Iraq and Turkey complete supply agreement, 295
Irish Sea search for gas or oil will last several years, 352
Italo-Soviet negotiations are resumed, 247

J

Jersey new gas plant, 17

K

Kent, G. acquires Brooke Industries, 86

L

L.P.G. tanker for Mexico launched, 64
L.P.G. sales reach record level, 351
Lurgi Warme- und Chemotechnik GmbH and Messer Griesheim GmbH co-operate in joint venture for building natural gas liquefying plants, 315

M

Main, R. & A., change of address, 181
Melbourne conversion contract, 82
Metalock form seventh associate company, 248
Minister of Power ' gas price too high,' 350
Minister visits Charles Winn & Co. Ltd., 316
Ministry of Power Statistical Digest 1966, 261

N

NCB—
  Announces £300,000 surplus for 1966-7 but coke sales down, 264
  Memorandum ahead of deadline, 247
National Union of Mineworkers A.G.M., 57
Natural gas search due off County Down, Northern Ireland, 15
New Zealand pipeline tenders soon, 223
North Sea gas industrial impact symposium, 294
North Sea—
  Acoustic system set for North Sea ship, 21
  Benefit ' substantial,' 162
  Burmah Oil may drill again, 222
  Caution urged over Scottish hunts in North Sea, 83
  Consortium for gas storage, 294
  Construction work on Bacton gas plant due to start, 247
  Labour study group, 123
  Ministry and costs, 161
  Murex Ltd. of Essex using natural gas, 125
  Potential for 1970, 145
  Seaflame poised for conversion, 123
  ' Sea Quest ' is moving to a new site, 295
  Signal Oil setback, 222
  ' Transocean ' II finds gas, 161
  Woodall-Duckham to build Bacton terminal, 268
N. Ireland—dearer gas move, 226

P

Pakistan's Sui gas shows more than 700% increase in ten years, 164
Peak shaving boosted at Wisconsin, 343
Planimec Ltd., ' instant bathrooms ' with gas at Cambridge, 163
Potterton—
  Goes into TV advertising, 182
  Training School receives official recognition, 295
Power-Gas extends operations in U.S.A., 224

R

Radiation—
  Treads new advertising ground, 352
  Visited by North Thames Gas Board dealers, 226
Richard Thomas & Baldwins pipe commissioning under way, 222
Royal Dutch Blast Furnaces and Steelworks annual report, 63

S

Safari Oil Co. Ltd. to start another onshore well, 314
Saunders Valve dividend, 16
Scottish Pipework Engineering Training Group open extension to Sandyford centre, 352
Scroll System storage tank arrives at Bolsover Refinery, 296
Seaflame Conversion Ltd., cryogenic tanker, 162
Servowarm launched in Eire, 351
Sidney Flavel Ltd., 83
Soviet gas production figures released, 267
Span Kent Ltd. houses in Kent using gas, 350
Stanton & Staveley visited by North Eastern Gas Board officials, 353
State industry price increases to be referred to Prices and Incomes Board, 294
Staveley receive grant to develop automation, 128
Stevenage Corporation offering Servowarm central heating system to 11,000 tenants, 267
Sutherland, A. G., to have new factory, 351
Symposium on reliability in engineering, 268

T

The ghost-man cometh, 267
Thomson Lecture on energy, 267
Thorn Domestic Appliances acquires U.K. business of Moffats of Canada, 57
Tipton contractors, 53
Total Distribution seminar to be repeated, 127
Tube Investments Ltd. offers 66s. 3d. cash per share for Radiation Ltd., 222

U

U.S. oil, gas reserves report, 247

W

West's Group profits up, 127
Woodall-Duckham—
  Gain £3¼ mill. order from Eastern Gas, 15
  Progress at Tipton, 124

Y

Yorkshire natural gas, 163

CLASSIFIED INDEX

AREA BOARDS

EASTERN

Chief Engineer appointed, 222
New marketing manager, 57
Systems contract award to Systems Programming Ltd., 183

NORTH EASTERN

Business soars at County Show, 181
Coal-based plant to be used to meet winter demands, 267
Conversion begins, 351
Humphreys & Glasgow awarded contract, 64
Two killed, ten injured in gas blast, 268

NORTHERN

Bellis and Morcom diesel driven gas compressor loaned to the Board, 64
Power-Gas awarded £2.8 mill. contract, 16
Whitehill Point production station opened, 314

NORTH THAMES

Drivers' record, 20
Hat-trick of successes, 58

NORTH WESTERN

Automatic alarm key feature of new cyclic gas reforming plants, 127

EAST MIDLANDS

Sheffield showroom opened, 82
Tee-Joint meets urgent deadline, 181

SCOTTISH GAS

Consultants appointed for advance planning for natural gas, 125
Cyclic reforming plant opened at Dumfries, 82
Gas boosters ordered, 226
New gas-making plant for Granton Works Edinburgh, 15
Supergrid main will be extended from Springside to Irvine, 15

SOUTH EASTERN

Power-Gas is building new Croydon plant, 315
Redheugh Iron & Steel Co. Ltd. erect light distillate storage tanks at Croydon, 265

SOUTHERN

Abingdon: Commons answer, 126
Clement Freud at Southern 'cook-in,' 162
Conversion plans for first 68,000, 350
Dr. J. Burns appointed new Chairman of Board, 224
Gas with a different smell, 223
'Highest ever' gas sales report, 86
Isle of Wight consumers link-up with Southampton, 83
Students tour training centre, 17
'The quality of training,' 182

SOUTH WESTERN

GENERAL INDEX

A

Abstracts from recent British patents, 11, 174, 264, 369
Annual Review Number—
Conversion, 113
Digest, 117-120
I.G.E., 133
Industrial gas progress, 147
Industrial relations, 127
Marketing, 125
Nalgo, 145
Publicity, 142
SBGI, 144
Sir Henry Jones—seven points for success with natural gas, 107
Technical progress, 109
WGF, 146
Argentine says ' hydrocarbons State property,' 319
Auckland Gas Company to start gas sales probe, 59
August good month for gas appliance sales, 59
Australia—
Natural gas boosts prospects, 37
Autumn Research Meeting, 235-293
Chairmen's Technical Committee report 1966-67, 314

B

Ball & Collins (Oil and Gas) Ltd., awarded production licences, 35
Belfast Corporation receive £100 anonymously, 228
BOC links with Airco in world cryogenic plant market, 319
Brisbane gas plant planned, 209
Britain uses 10% more oil, 16
British Standard news, 231
British Standard revised, 178
BRTA celebrates forty years with annual dinner, 205

C

Cameron Iron Works visited by Prince Philip, 175
Clean Air Conference—free admission, 318
Coal Industry Bill introduced in Parliament, 265
Coleraine gas plant opened by Ulster Premier, 320
Coleraine gas prices up, 38
Conch Ocean issues licence for construction of gas carrying ships, 344
Conch Ocean Ltd., grant first British licence to Harland & Wolff, 16
Cork Gas Company attacks ' unfair advertising,' 268

E

Engineering technicians, 370
Eurodollar loan hint as aid to gas industry expansion, 294

F

Farewell Dr. Burns . . ., 208
Fuel Policy, 259
Fuel policy white paper, 227

G

Gas price settlement now foreseen by year-end, 152
Gas Standards office on barracks square, 38
Gas on the Continent, 261, 363
Gasworks dispute settled, 177

H

Halcyon Heaters at Vienna Fair, 178
Honeywell opens new temperature controls works, 17
Humphreys & Glasgow in deal with Mobile Chemical, 371

I

IGT, Chicago holds 26th annual meeting, 318
Isle of Man gas dearer, 177

J

John Brown-built rig completed in record time, 35

K

Kapuni treatment plant proposed, 38

L

Liquefied gas tanker licence between Esso and Conch Ocean Ltd., 177
Lurgan needs new gas plant, 344

M

Mechanical engineers lectured on British climate, 176
Minister of Power forecasts lower fuel prices, 15

Mc

McKenna Constructions Ltd. erect high-speed tanks at Ballymena, 10

N

NCB finance member addresses Coke Oven managers, 209
New Zealand looks to '80's for gas power, 37
North Sea—
Analysis of drilling, BP West Sole gas flow, 17, 320
BP forecasts large boost to winter gas supplies, 231
Dutch keep an eye on price negotiation, 204
Inquiry report on ' Sea Gem', 176
Navigational aid to ' blind flyers', 180
No State take-over for North Sea gas, 35
North Sea Marine Engineering Construction £3 mill. down, 268
' Sea Quest ' will move to new location, 295

O

Oil products demand continues to grow, 370

P

Parliamentary round-up, 180, 267
Pipeline Guild launches winter session, 177
Plenty opens new training centre, 231
Power-Gas receive more Japanese orders, 37
Pressure vessel industry sales director repudiates criticisms, 16
Project Gasbuggy, 371

R

Resonant combustion chamber, 38
Royal Albert China kiln uses gas, 318

S

Scottish multi-storey blocks heated by gas, 16
' Sea Gem ' report due, 152
Shell-Esso drill off Scotland, 344
Siberian gas finds double Russia's natural gas reserves, 370
Sydney prepares for natural gas, 370

T

Technician engineers to have national qualification, 205

W

W. Berlin gas plant to receive loan, 37
West's Group of Industries' half year report favourable, 317
Woodall-Duckham—high turnover, 371

CLASSIFIED INDEX

AREA BOARDS

EASTERN

Record outputs, 344
Theft of £4,700 coins, 371

EAST MIDLANDS

Area Staff Conference, 12
Conversion scheme announced, 295
Home win for rescue team, 13
Northamptonshire conversion scheme, 344
Training Centre to cost £300,000 205

NORTH EASTERN

Coal-based plant to be reopened, 17
Conversion to natural gas started, 52
Installation, service and maintenance charges increased, 317
Municipal housing successes, 231
Permanent Secretary to the Ministry of Power visits Board, 179
Rescue team put through its paces, 209

NORTH THAMES

Conversion programme plans announced, 15
Senior officers visit AC-Delco's Southampton plant, 10

NORTH WESTERN

Combined operations for gas and electricity, 204
Macclesfield to receive natural gas sooner, 231
PABX telephone system ordered, 266

SOUTHERN

Computer to aid conversions, 178
Cyclic reformers built by Board, 370
Ulster Week, 268
Water heater sales, 175

SOUTH EASTERN

Chairman's plea for ' rapid decision', 317
Deficit, but Chairman optimistic, 59
Mr. Stanton retiring, 227
Radiation coil for Croydon, 319
Revision, 317

SOUTH WESTERN

Plymouth Works opened, 175

WALES

Architecture award, 344
Llandarcy plant finished on time by Woodall-Duckham, 204

WEST MIDLANDS

Conversion will increase meters demand says Chairman, 266
Deputy Chairman to leave board, 175
Washwood Heath works first into production with North Sea gas, 231

SCOTTISH GAS

Power-Gas Corporation build town gas reforming plant, 180
Taped talk tells blind people about gas heat, 372
